BUS SAFETY

- You are able to help us in providing you with a safe ride and dependable schedule by:
- Taking your seat as soon as possible.
 - Not changing seats unless absolutely necessary.
 - Allow senior citizens and people with disabilities to use the seats designated as "Priority Seating." "Priority Seating" signs are posted above designated seats and the driver may direct non-disabled riders to move in order to allow senior/disabled riders the use of the designated seats and/or wheelchair securement devices.
 - Purchase your transfer when you first board unless the driver specifies a different place to obtain your transfer. Transfers are good only at approved transfer points.

To avoid distraction and discomfort of driver and passengers we ask that you:
 Please not use profanity and refrain from playing individual radios without headphones.
