INTRODUCTION

The Charleston Area Regional Transportation Authority (CARTA/RTMA) is seeking qualified companies to submit bids to provide bus wrap installation and removal services for its fleet of vehicles located at 3664 Leeds Ave Charleston, SC 29406 and TriCounty Link 305 Heatley St Moncks Corner, SC 29461.

BACKGROUND

CARTA/RTMA was created in 1997 by adoption of a mutual agreement by the following jurisdictions: Charleston County, The City of Charleston, The City of Hanahan, and The City of Isle of Palms, The City of North Charleston, The Town of Kiawah Island, The Town of Mt. Pleasant, and The Town of Sullivan’s Island.

CARTA/RTMA provides public transportation services within the member jurisdictions, with the authority to determine scope (routes, equipment, and facilities) and standards of the service to be provided. CARTA/RTMA is subject to the regulations of the US Department of Transportation (DOT), Federal Transit Authority (FTA), South Carolina Department of Transportation (SCDOT), and federal, state and local laws.

The TriCounty Link system is comprised of 9 regular fixed routes and 6 commuter routes that provide services to rural residents of Berkeley, Charleston and Dorchester counties. While each of the nine fixed routes follows a published schedule, each route also includes a route deviation option. The driver may go off the fixed route up to one-quarter mile to pick up customers that cannot meet the bus at designated stop locations. We are also a flag-stop system and will pick up customers between the scheduled stops along each of the fixed routes.
